the arkley herald "MONTHLY"

The bulletin that can teach British Rail a thing or two about late running.

From Nine August games our playing record is;

3 WON, 3 LOST, 3 DRAWN.

After an unsuccessful June and a successful July, August was an indifferent month for results although we again kept the statistics tidy by winning three, losing three and drawing three. So now with three games remaining our playing record is P 29, W 10, D 7, L 12.

We opened the month with a draw against Potters Bar Crusaders at Brunswick Park. 'Crusaders batted on after tea to declare at 143-6 and then Arkley slumped to 71-6 (Sharma 40) before Peter Brown and Bob Ingram (34 each) took us to within ten runs of victory in a rousing finish. The following day our total of 127 on a good batting wicket at Oakhill Park against Roving Reporters was beaten with two wickets to spare by the Reporters for whom Rob Hunt hit a 'cavalier' 67. In a C.C.C. Fixture Bureau game the next week we were soundly beaten by a strong Essendon side at their beautiful country setting. Our first victory of the month came against Agricola at Parliament Hill the next day with Sharma scoring 41 and taking 6-23. Having beaten Bentley Heath II at Brunswick already this season we suffered a reverse when we lost a specially arranged fixture with them again at Brunswick. Our score of 96-8dec in over 2½ hours was passed by Bentley Heath with 5 overs to spare despite losing early wickets. Mark Cripps and Bob Ingram combined to dismiss Watford Taverners for 111 with some irresponsible batting from the early batsmen. Arkley made the runs for the loss of just four wickets with all the batsmen making double figures and Peter Amass hitting the winning runs with a boundary! St. Peters middle order batsmen helped them to a score of 158 after being 12-3 (Colin Johnson 2-6!). Arkley finished at 112-6 after getting bogged down in the later stages. Mitton, Butler and Priest could not raise a side for the intended match the following day and so we were paired with Old Columbans in another C.C.C. Fixture Bureau game. Old Columbans (from London Colney) declared at tea with 162-7 after a fast start. Arkley led by Mark Cripps (88) who put on 92 with Peter Brown (31) scored their highest ever score batting second to win the match by 4 wickets despite a few 'hiccups' in the later stages. Continuing where we left off against Old Columbans we made 179-5 declared against Waltham Abbey Royal British Legion with nearly six players making the 'Barnet Press'. Waltham Abbey R.B.L. finished with 164-7 thanks to numerous dropped catches.

PETER BROWN'S TITLE

Peter Brown won the 1975 Single Wicket Competition at Brunswick Park on Saturday 30th August beating Clive Townsend in the final by 15 runs and a wicket. Peter had a bye in the first round but then went on to beat brother Colin Brown and Sharma to reach the final. Clive beat his brother Paul, Arthur Johnson and John Griffiths to reach the final. Fourteen players took part in the competition in which 488 runs were scored from 353 balls with thirteen sixes. Full details of the Competition will appear in next months bulletin when there will be more space.

FOR THE RECORD. FOR THE RECORD. FOR THE RECORD. FOR THE RECORD. FOR THE RECORD.

In this match Sharma passed his seasons best total of wickets (45 last year), and took Arkley's 200th wicket of the season when he had M.Mann stumped for 71.* Peter Brown and Paul Townsend have now scored more runs this season than in any previous season.* Peter Amass ended his run of 4 consecutive ducks (one short of Jon Davies' record earlier this year)* Thanks go to Colin Cummings for yet again turning out at such late notice and to Colin Johnson for umpiring once again.

Essendon, who were founded in 1810, have competed in the Haig Village Cricket Championship every year since its inception in 1972. Last year they were knocked out by Langleybury and the following appeared in the 1975 'Haig Village Cricket Annual' about the game;

'Interest is aroused in the Langleybury v. Essendon match, by the differing sets of figures submitted by the two secretaries. The Langleybury card reads: Langleybury 215 for 4 (M.J.Wiggs 77), Essendon 66. The Essendon card reads: Langleybury 215 for 5 (Hogan 77), Essendon 64. As Martin Wiggs is the Langleybury correspondent and it seems unlikely that he used an alias when batting, his figures are accepted.....'

Essendon are thus the third 'Haig' team we have played since 1972, the others being Bayford & Hertford Nondescripts and Mere (Wiltshire). Gorran, who we played on the first Cornwall tour in 1964 have also played in the 'Haig'. Pity Arkley is not in a rural district!

Did you notice how much better Mr. Amass's language was! We have now won five out five games v. Agricola scoring 646 runs and conceding 315. Arkley have used 18 different players in these five games whilst Agricola have used 32! This 48 run victory was the closest margin between the two teams as the other victories have been by 126runs, 66runs, 88runs and 8 wickets.* This was probably the first game played by Arkley in which the G.P.O. Tower and St. Pauls Cathedral could be seen from the ground! (From the Useless Information Department)* Paul Townsend went top of the bowling averages after this game whilst Mark Cripps stays top of the batting.* We used our own stumps in this fixture as Agricola's were in Denmark or Germany in the boot of somebody's car!* The Arkley innings in this match was played almost entirely in rain.* The distance from changing rooms to pitch at Parliament Hill is the furthest encountered by Arkley in recent years.

After winning the toss and electing to field Arkley had Watford Taverners 8-1 after one over, 28-4 after nine and 51-7 after eighteen point two. The last three wickets put on 60 with the last wicket falling on 'Nelson'.* John Griffiths took his 50th Arkley catch and Arkley's 100th catch of the season when he caught M.Wright. John later scored his 900th Arkley run.* Mark Cripps has now bowled more No Balls (36) this season than Colin Johnson has wides (32)!.* Some of the Arkley fielding in this game was recorded for ~~posterity~~ posterity by cameraman Norman Gibbons (12th Man).* Peter Amass scored the winning runs (4) in front of his Mum & Dad (ain't that nice!)* Peter Brown had six consecutive scoring shots of four during his innings.* This was the first definite result in 3 games v. Taverners.

D. FOR THE RECORD. FOR THE RECORD. FOR THE RECORD. FOR THE RECORD. FOR THE RECO

Mark Cripps took his 150th Arkley wicket.* Clive Townsend took his 16th catch of the season to equal the club record for catches in a season.* Peter Brown after his bowling in this match has conceded 999 runs from his bowling for Arkley.* Bob Ingram became the first Arkley player to concede over 1000 runs from his bowling in a season.* Mark Cripps scored his 1300th Arkley run.* Brian Andrews hit a four on the off side off the middle of the bat!* This was the highest recorded Arkley score batting second to win a match. In fact it was the highest recorded Arkley score batting second achieved by probably the youngest ever Arkley side with an average age of 21.64 years (oldest 27,youngest 16).* The initial of Child of Old Columbans was not A. but I gave it to him because he acted like a child! As well as twice doubting our ability to count the final 20 overs his bowling run up had more stops in it than the Piccadilly Line although it was not much more than five yards long!* This game was arranged through the C.C.C. as Mitton,Butler & Priest (who we were supposed to be playing) could not raise a side.

Clive Townsend scored his 2000th Arkley run.* Bob Ingram scored his 500th Arkley run and 50th Arkley four.* John Griffiths scored his tenth Arkley six.* Bob Ingram and Brian Andrews both needed one more run to be included in the 'Barnet Press' in which case we would have had the first six batsmen so included.* During the game 343 runs were scored in 239 minutes including 40 fours and 4 sixes (184 runs). Only five of the 72 overs were maidens with Arkley bowling 2 from 36 overs and W.A.R.B.L. 3 from 36 overs.* Arthur Johnson played in this game at 24 hours notice after Sharma was injured in the Single Wicket Competition the previous day.* Dropped catches cost Arkley dearly in this match.
